

IGUAZU FALLS & THE NORTHEAST EXCURSIONS

ARGENTINE SIDE OF THE FALLS

Visitors first arrive to the Visitor's Center and walk to the Nature's Interpretation Center. There, the Green Train leaves from Central Station and goes first to Cataratas Station in about 8 minutes. The option is a short walk through the "Green Trail" that leads to the beginning of the path, towards the Upper and Lower trails, right after Cataratas Station.

UPPER CIRCUIT

The 800 meters of catwalks are detached from the jungle's surface so as to protect the fauna by preventing disruption of their natural trails. From this circuit you have an upper view of the falls, enjoying their magnificence with a panoramic view.

DURATION OF THE TOUR: one hour.

LOWER CIRCUIT

1.600 meters of catwalks, also detached from the jungle's surface, enjoying a view from below and around the falls. This circuit provides a unique experience of feeling part of the natural surroundings, watching and sensing their magnitude from close. **DURATION OF THE TOUR:** two hours.

DEVIL'S GORGE

Departing from Cataratas Station, the train goes up to Garganta Station in about 18 minutes. Then a walk along the catwalks, some 1200 meters over the islands, take you to enjoy the most spectacular sight from the most important balcony: the Devil's Gorge. **TIME REQUIRED:** two hours.

Once you have finished the circuits, you return to the Visitors Center where the vehicles are waiting for the transfer to the hotels or the airport.

BRAZILIAN SIDE OF THE FALLS

From the Brazilian National Park you have a panoramic view of the falls with almost 3 km long and 270 cascades. It's a 1000 m of easy walk that takes 1 hour. Starting from the Das Cataratas Hotel and finishing in the canyon of the Devil's throat.

JESUITIC RUINS

Visiting one of the most important ruins named San Ignacio Mini, and declared cultural asset for Mankind by the UNESCO. It's one of the 30 settlement of converted guaraníes, that developed in this area between the years 1580 and 1767. It's located 230 km from the Iguazu Falls. During this trip a tourist guide will explain each one of the buildings left and we'll do a few stops to see the main growing of the region.
